The Italian Golf Classic held on Friday 27th May was attended by 95 club players, visitors and playing sponsors. A very successful event. The day was a typical autumn/winter day, clear sky and plenty of sunshine, with a fresh breeze which made the course a little more challenging. We thank Virginia Golf Club for the excellent state of the fairways and greens as well as the professional way in which they support our club organizers in holding this special annual event.

Special thanks go to Martin Roller of Ferrari Brisbane who was the major sponsor of the day and to all other sponsors and club benefactors for, not only supplying great prizes for the participants, but also for fielding teams in the competition. This always adds more interest to the event. A big thank you to those members who bring golf friends to this annual event. We all gain from their participation, with some even organizing more than one team. That's true club spirit. Well done golfers.

The Club's Motto is: "To have fun playing golf, while building relationships in the Australian and Italian communities"
