Festival City Challenge Cup Tournament 27-29 October 2018

We are fast approaching the 26th annual interstate tournament for which Qld is the host state. So far, we have 28 members who have signified that they will participate and this represent the maximum team number allowed under the tournament rules. A maximum total field of 140 players.

However, those rules also provide that, if any state is unable to field a complete team, then the host state may fill any vacancies from its own ranks. No other state may bring more than the maximum of 28 players. We have reasons to believe that South Australia may not be able to field a full team this year. This presents Qld with a unique opportunity to gain some advantage, being the host state.

We recommend that, if any member desires to play in the tournament, he or she should nominate as a reserve for the time being, until we can receive confirmation from S.A. as to their exact numbers. The deadline for the registration of participants from other states is the 14th September. If S.A. were to bring a full team, then we will advise all reserves, as soon as we have received all interstate registrations, and release them from their commitment.

Please consider this matter and advise the Club Captain if you wish to be put on the reserves list.
