Vale Ernesto Ward.

Only too short a time before leaving this world forever.

We were all shocked to learn of Ernesto's passing after a relatively short period of illness and attempted treatment. As he did not show any signs of being unwell, club members were saddened and found it hard to believe what they heard.

A little about his business background.

As a result of his success in the Melbourne luxury car market, his employers, Mercedes Benz Aust. offered him a position as sales manager for Queensland. Very soon he became the general manager and took the company to the number 1 position of sales of prestige cars in the state. Subsequently he was offered a higher position as managing director of Mercedes Benz for the whole of New Zealand, where he spent the next 7 years. Eventually he decided to retire and settle back in Queensland.

After his retirement he was offered a directorship at Mercedes Benz Toowong and worked on a part-time basis until his passing. He was also involved with Tattersalls Club as a member of the committee and was a member of the finance committee of the Grand Golf Club.

Ernesto joined our club some years ago at the behest of his good friends of 40 years, Vince and Victor De Pasquale. He was a passionate and competent golfer with a recent handicap of around 12. He brought with him an aura of quiet confidence and achievement and anything which he did for the club was carried out with timing and efficiency.

He was invited to join the management committee and acted as the club's vice-captain for some years until his untimely death. He introduced a gentle kind of discipline to participants, which is essential for golf days to be a success, and ran those events with precision.

At each game's conclusion he would work feverishly to check cards and to ensure that the day's results were completed accurately and promptly for the ensuing presentation of prizes, thus setting, and maintaining, a very high standard.

This, and the way our events were conducted, went a long way to ensure that our club was (and is) very much respected by host golf clubs. Our feed-back from those clubs has always been very positive and gives us much pleasure and pride.

Our sincere condolences go out to his family who have lost a loving and protective husband, father and grandfather. We will miss him very much and will be thinking of him as we tackle the fairways in future.
