Membership

Our club has been experiencing a considerable rate of growth in new membership applications over the past few months. This augurs well for a social club such as ours, and we sincerely thank the members who have made the effort to bring visitors to our games and to encourage many to become members.

Your management committee has been discussing the pros and cons of building our membership, while also considering the added difficulties of managing larger groups at our golf days.

Some of the host golf clubs have already put a ceiling on the numbers which they will allow for a shotgun start. Others have expressed concern about the large number of golf carts we require and the effect that has on their own membership. In addition, larger groups means that our members are finishing the game later than they would like, and some cannot stay for the presentations.

Discussions are continuing as to whether we aim for a lower growth rate which may reduce, or at least, cap the numbers at golf days and may be more acceptable to our members. It is a difficult matter which will require careful consideration before a decision can be made.

We will keep our members informed of any likely changes and encourage all of our members to consider this matter and talk to any of the Management Committee members.

Joe Amaraddio being congratulated by Captain Victor De Pasquale for his hole-in-one on the 3rd. Well done Joe!

Two other important matters

1. The forthcoming Italian Golf Classic
2. The 2021 FCCC Adelaide tournament

Please give the attached information your fullest attention and action.
