Club shirts

It has been noticeable that not all players are wearing the correct, and current club shirt at monthly games.

The Club has always made every effort to ensure that all of its members are well presented and appropriately attired at these monthly events, as it represents the high standards of our Club and fosters appreciation from the host golf clubs we play at. We often receive positive comments about this.

Some members have been wearing an array of older and expired shirts of varying colours which include logos of sponsors no longer supporting us and, more importantly, do not display the logos of our current sponsors. We have an obligation to all of our current major sponsors to correctly display their logos on our shirts as undertaken. Therefore we ask that you honour our commitment to them and comply with our request.

In the near future we will be issuing every member with a new updated shirt which will include all of our current major sponsors. The official colour shirt to be worn at monthly games is white with black trim. We know that you also take pride in our overall appearance and will co-operate with our reminder.

The only exceptions to this rule are the Italian Golf Classic, (coming up next month), and the last game of the year, i.e. our break-up. In both of these, white shirts are not mandatory, but you are encouraged to wear the red one, if you still have one, or any other colour you wish.
