We are all looking to a better year in 2022 than the current one.

1. Attached to this Newsletter is our 2022 playing schedule for your information. The first game will be at the Pines course of the Sanctuary Cove Resort on the 7th February. We are told by that club that, as it is a private course, we are one of the rare clubs allowed to play there. Much of this is due to our good reputation built up over the years and, of course, the velvet smooth persuasive powers of Captain Victor.

2. We have ordered new club shirts displaying logos of our the current major sponsors and hope to have them to hand out to players at the first game. You may wear the previous version at that game for the last time. Thereafter please, please, get them out of your wardrobe, so that we all comply.

We ask that all members take particular care to wear the new shirts at all games and not show up in any of the previous shirts. It is our responsibility to ensure that we do the right thing by our current major sponsors by displaying the correct logos and we seek your co-operation in this important matter.
