Let's look after each other

As you know, the members of the management committee serve our Club on a voluntary basis and some are still engaged in a full-time business. So we encourage members to be aware of not creating unnecessary work for them. When wishing to register for a game, it should be done on-line on our web page. The vice-captain should not automatically be requested to book members in over the phone.

We know that this month our web page decided to have a tantrum and the only alternative was to request assistance by phone. That should be the only time that members should avail themselves of the alternative..... BTW tantrum gone.

When the web page is behaving itself we ask that you refrain from ringing the vice-captain unless you strike a problem with your on-line booking.

We thank you for your understanding and co-operation.

Cofucius say.....

- Passionate kiss, like spider web, leads to undoing of fly.
